Where did you find out about us?

In which Higher School do you want to register?

In general

The coaching session provides the ability to individual discussions or coaching in small groups with the instructor. We discuss specific issues to work on the portfolio and / or deepen specific aspects. Thus this coaching is particularly for those who are already working on a solution and want to deepen their.

Applicants who can not book a full-time semester course because the lack of time, this portfolio coaching is an alternative. Since the practical work must take place at home, this „small version“ can not be seen as a full substitute for the systematic elaboration of a solution, as it takes place in full-time semester course.
